Pass-ing glan-ces

Rob Lovett &

11

tak-in' our chan-ces may-be me and you

16 2019

Pass-ing glan-ces mak-in' ro-man-ces for the

22

whole night through. Some say; "Love's

28

play was written by nature's hand." But if I may,

34

I should say there might be a better plan

40

Down in the market Out on the common

45

Kick-ing a ball a-round Ly-ing on bea-ches

51

Sit-ting on blea-chers Join-ing a pro-tes-ting crowd

57

Pass-ing glan-ces tak-in' our chan-ces may-be me and you

64

Pass-ing glan-ces You caught my eye

70

I was shy
got off the train too soon

76

But if I'd stayed
Made a play
might have

82

been un-cool
May-be to-morrow

87

I'll write in the column
Tell of my Rush Hour Crush

93

You might just see it Hope that you'll read it Hope I'm not

98

making a fuss Pass-ing glan-ces tak-in' our chan-ces

105

may-be me and you may-be me and

112

Just me and you.
