

Something Inside So Strong

The higher you build your barriers - the taller I become
The further you take my rights away - the faster I will run.
You can deny me,
You can decide to turn your face away
No matter 'cos there's

Somethin' inside so strong. I know that I can make it,
Though you're doing me wrong, so wrong.
You thought that my pride was gone.
Oh no, There's somethin' inside so strong.
Oh no, There's somethin' inside so strong. Whoa__

The more you refuse to hear my voice, [away-away-away-away]
The louder I will sing.
You hide behind the walls of Jericho, [away-away-away-away]
Your lies will come tumbling.
You deny my place in time, and you squander wealth that's mine,
My light will shine so brightly, it will blind you, [blind you]

There's Somethin' inside so strong. I know that I can make it,
Though you're doing me wrong, so wrong.
You thought that my pride was gone,
Oh **No**, there's somethin' inside so strong.
Oh **No**, there's somethin' inside so strong.

Sisters and brothers, when they insist we're just not good enough,
What do we do then, we'll look'em in the eyes and say:
"We're gonna do it anyway, **say**"
"We're gonna do it anyway, **say**"
"We're gonna do it anyway, **say**"
"We're gonna do it anyway_____(into a A-hey sound with key change)

Somethin' inside so strong. I know that I can make it,
Though you're doing me wrong, so wrong.
You thought that my pride was gone, Oh **No**.
There's somethin' inside so strong, Oh **No**.
There's somethin' inside so strong, Oh **No**.
There's somethin' inside ____ so ____ strong.
