Always look on the Bright Side of Life

Some things in life are bad; they can really make you mad
Other things just make you swear and curse
When you're chewin' on life's gristle,
Don't grumble, give a whistle
And this'll help things turn out for the best.

And - - always look on the bright side of life (whistle)
Always look on the light side of life (whistle)

If life seems jolly rotten, there's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps, don't be silly chumps
Just purse your lips and whistle, that's the thing.

And - - always look on the bright side of life (whistle)
Always look on the right side of life (whistle)

For life is quite absurd, and death's the final word
You must always face the curtain with a bow
Forget about your sin, give the audience a grin
Enjoy it; it's your last chance anyhow.

So, always look on the bright side of death (whistle)
Just before you draw your terminal breath (whistle)

For life is quite absurd, and death's the final word
Life’s a laugh and death’s a joke, it’s true
You’ll see it’s all a show, keep ‘em laughing as you go
Just remember that the last laugh is on you.

Everybody!

Always look on the bright side of life
Always look on the bright - - side of light
Side of life….Side of life….Side of life.
