

Crazy Little Thing Called Love

Words and Music by Freddie Mercury recorded by QUEEN

This thing - called love, - I just - can't handle it
This thing - called love, - I must - get round to it
I ain't ready - Crazy little thing called love

This thing (this thing) - Called love (called love) - It cries (it cries) - In a cradle all night
This thing (this thing) - Called love (called love) - It shakes all over like a jelly fish
I kinda like it - Crazy little thing called love

There goes my baby - She knows how to rock 'n' roll
She drives me crazy - She gives me hot and cold fever
Then she leaves me in a cool cool sweat

OW -----

I gotta be cool, uh relax, uh get hip - uh get on my track's
Take a back seat, uh hitch-hike
And take a long long ride on my motorbike - Until I'm ready
Crazy little thing called love
