

Trip a Little Light Fantastic

'Mary Poppins Returns' Shaiman & Wittman arr. Mark Brymer

All	<p>Let's say you're lost in a park. Sure – You can give in to the dark, or – You can trip a little light fantastic, with me.</p> <p>When you're alone in your room, your choice is, 'Just embrace the gloom' or you can trip a little light fantastic, with me.</p>
------------	---

Women	For if you hide under the covers you might never see the day
Men	<i>But if a spark can start inside your heart, then you can always find the way</i>

All	So when life is gettin' dreary just pretend that you're a leerie as you trip a little light fantastic, with me
------------	---

All	<p>Now when you're stuck, in the mist, sure, You can struggle and resist, or you can trip a little light fantastic, with me</p> <p>Now, say you're lost, in the crowd, well You can stamp and scream out loud, or you can trip a little light fantastic - with me</p>
------------	---

Women	And when the fog comes rolling in - just keep your feet upon the path
Men	<i>Mustn't mope and frown, or worse, lie down. Don't let it be your epitaph!</i>

All	So, when life is gettin' scary, Be your own 'il-lu-mi-nar-y' who can shine their light for all the world to see As you trip a little light fantastic, with me!
------------	---

SPEAKING

Men	<i>You see? There's nothing – to it</i>
Women	Can you speak leerie, Mary Poppins?
All	Can she speak leerie?
Women	Of course. She's Mary Poppins!
Men	<i>She's Mary Poppins!</i>
Women	Children, tell us your sorry tale.
All	Give us your weep and wail!

MEN	WOMEN
<i>Well, we had this bowl -</i>	Rabbit in the hole
<i>That fell and broke -</i>	Bicycle spoke
<i>So we took it to a shop -</i>	Like a lollipop
<i>And went upside down -</i>	That's a circus clown
<i>Then went to the bank -</i>	Rattle and clank
<i>Got lost in the fog -</i>	Lump on a log
<i>Til we found a friend -</i>	To stand and defend
<i>Who took us on a trip -</i>	Snap a horse's whip
<i>And we tripped a little light fantastic -</i>	Now that sounds a little bit bombastic
<i>But they tripped the light -</i>	We tripped the light

All	Let's trip a little light fantastic
