

I Want To Be Happy

From No, No Nanette
Words by Irving Caesar, Music by Vincent Youmans

I want to be happy
But I won't be happy
Till I make you happy too.

I want to be happy
But I won't be happy
Till I make you happy too.

Life's really worth living
When we are mirth giving
Why can't I give some to you?

When skies are grey and you say
you are blue
I'll send the sun smiling through
You make the sun keep smiling.

I want to be happy
But I won't be happy
Till I make you happy too.

No one's ever talked like that to me,
I have never known such sympathy,
Only in my dreams, it really seems
to me, it's too good to be true.

*There are smiling faces everywhere,
Surely I deserve my little share,
I'm a lucky guy to know
that I can get it all from you.*

I want to be happy
But I won't be happy
Till I make you happy too.

Life's really worth living
When we are mirth giving
Why can't I give some to you?

When skies are grey and you say
you are blue
I'll send the sun smiling through
You make the sun keep smiling.

I want to be happy
But I won't be happy
Till I make you happy too.

Till I make you happy too.

It's true!
